

Sadhu Vaswani Autonomous college, Sant Hirdaram Nagar, Bhopal

Summary of Feedback form Report 2020-21

Feedback is an essential part of learning effectively and enhancing student learning experiences. Student's feedback has become a widely used method to evaluate and improve teaching effectiveness. Students get benefit from this process as well when an institute creates a culture of feedback they send a strong signal to students that they care about their point of views. Feedback forms are designed by feedback Committee on teaching and Infrastructure from the students in the month of March. The feedback from includes the information on pedagogy, laboratory facilities, classrooms, library and sports facility about the office facility, principal's and management co-operations. The link of feedback forms was sent to different department concerned teachers were analyzed the forms and made reports on the feedback given by students of respects department. These reports were submitted to feedback committee and summary of reports is prepared. This year in session 2020-21 platform of feedback form is changed from paper pen mode to google form for coping up with pandemic period. Some new relevant point has been added to justify the quires regarding on line classes. During this pandemic situation students were satisfied by regular programmes of N.C.C. and N.S.S., Students found career guidance and placement cell active and they appreciated for the library facilities provided during this periods. The students were satisfied with the various aspects of teaching like coverage of syllabus in online- classes. However some points given by different students in different departments areas follows.

- 50% student found online classes are not comfortable and level of student teacher relationship is not same.

- Students were satisfied with regularity of online classes in the institution and according to them almost 75-90% syllabus covered by teachers through online classes.
- Students want some more co-curricular activities rather than traditional lecture method.
- During this pandemic period students found the institutions administrative office helpful and behavior of principal was co-operative.
- Students found precaution measures like social distancing, usage of mask and proper sanitization should be taken by institute is not satisfactory.
- Student's wants different mode of C.C.E. should apply for proper evolution.
- Students were satisfied with the facilities like online teaching equipments and autonomous body of the college for timely arrangement of uploading of question papers and copy submission.

Activities conducted for better results

- Teachers were instructed to put some more efforts to make their online classes interesting and to make teacher student relation more interactive.
- Teachers were given instruction to use more and more teaching aids to make the lectures attractive.
- College management authority and principal of the college gave emphasis on arrangement of online guest lectures by experts, usage of educational software, webinars and online presentation.
- College management authority took decision to take precaution measures like social distancing, usage of mask and proper sanitization more strictly.
- Teachers of all the streams are instructed to use the different modes of C.C.E. for proper evolution.
